The Details

Being a part of a team is one of the most fun and rewarding ways to participate in The 11 Day Power Play. As a team, you can support, train and celebrate together, all while supporting patients battling cancer. In 2023, our beneficiaries include Roswell Park, Camp Good Days, Make-a-Wish WNY and Roswell Park Oishei Children's Cancer and Blood Disorders Program.

Getting Started

Just follow these three easy steps, and you'll be on your way!

Step 1:

Go to <u>https://communityshift.11daypowerplay.com/</u> and select register on the home page. Register with an email and password. Follow the steps through the registration process. If you have any questions there is a step by step guide in the <u>player resource center.</u>

Step 2:

• Personalize your pages URL (choose something identifiable to possible donors).

• Update your fundraising goal. We ask that you set a minimum goal of \$500. Required minimum is \$225 per shift.

- Complete your address and preferred phone number.
- Click on the Dashboard option to the far left of your page, beneath the box with your initials.
- Complete the checklist on this page for optimal success.

• We recommend you do as many of these as you can at this time, but you will be able to log back in and complete them later.

Step 3:

Invite your team members! Send your players an email inviting them to join your team:

• We have provided a player invitation email template under the email tab (just insert their emails)

 An example of this email is also included on the Player Resource Center for you!

Team Captain Action Plan

- Choose your team wisely. This is a fundraiser and your team has been chosen to support important beneficiaries.
- Provide your team members with access to the Player Resource Center, ask them to create an account, start a 2023 personal fundraising page, and join your team.
- Set an example by customizing your personal page with a picture and reason for playing.
- As Team Captain, communicate regularly and provide updates on team progress. Be sure your team is committed, excited and prepared. Use text, email, social media, team meetings, etc. Remind them why their efforts are so important!

Team Captain Action Plan

- Make sure your team members have the Fundraising 101 guide, which is full of fundraising ideas and best practices!
- Gather your team to develop a plan and share ideas of how the full team and each individual can fundraise.
- When a teammate has met his/her goal, encourage them to raise it! Don't be afraid of a little friendly competition amongst your team members.
- Remind your teammates to become Power Players! If a player raises \$1,100 or more by end of day April 9th, they will receive a special jersey for game time.
